Oh, actually, since I rejected it, you can attach your recusal and resubmit to me. Then I can approve. Duh!

Debby Sisco

Ethics Officer and Special Assistant to the Director

Beginning September 1, I will be in the office only on Tuesdays and Wednesdays and teleworking for a couple of hours on Thursdays.

Office of Pesticide Programs (7501P)

US Environmental Protection Agency

4th floor - 4241 Potomac Yard South

(office: 703 308-8121; Mobile: 571 317-4823)

Michael,

I have just rejected your form, but only because I need an updated recusal for (b) (6) [REDACTED] Send that to your supervisor(s) and send me a pdf so I can attach it to your e450, and we'll be all set.
